

SPEAKERS AT Mokena Chamber of Commerce meeting. On the left is Supt. James Ennis of the Mokena public school system and on the right is Ronald H. Galowich, Mokena village attorney. Supt. Ennis gave the Chamber first hand information school bond and educational tax increase referendum coming up Saturday, Sept. 25. Attorney Galowich discussed the various methods that may be used in expanding village limits thru annexation.

Will Vote Saturday On School Bonds

Saturday will be an election day in the Mokena grade school district. On Sept. 25 the voters of the district will pass on the question of issuing bonds in the amount of \$280,000 to purchase 21 acres of land just north and adjacent to the present Willowcrest School site and to build a 12-room junior high school building.

Current enrollment of the public schools is 570. By the fall of 1967 it is predicted that the enrollment will be at least 727. The school board and administrative staff want to be ready for this enrollment and points out that it can only do this if the new building can be started next spring.

The proposed new building will have 12 classrooms but eventually will be a 24-room building that will have facilities for regular and exploratory courses that are considered best to meet the needs of the adolescent junior high student. Of the 12 rooms to be built, eight will be regular classrooms and

four will be special pupil areas that include a science laboratory and arts and crafts room that will be used for art and drafting and home economics until further shop areas can be constructed; also a large vocal music room and a language arts room.

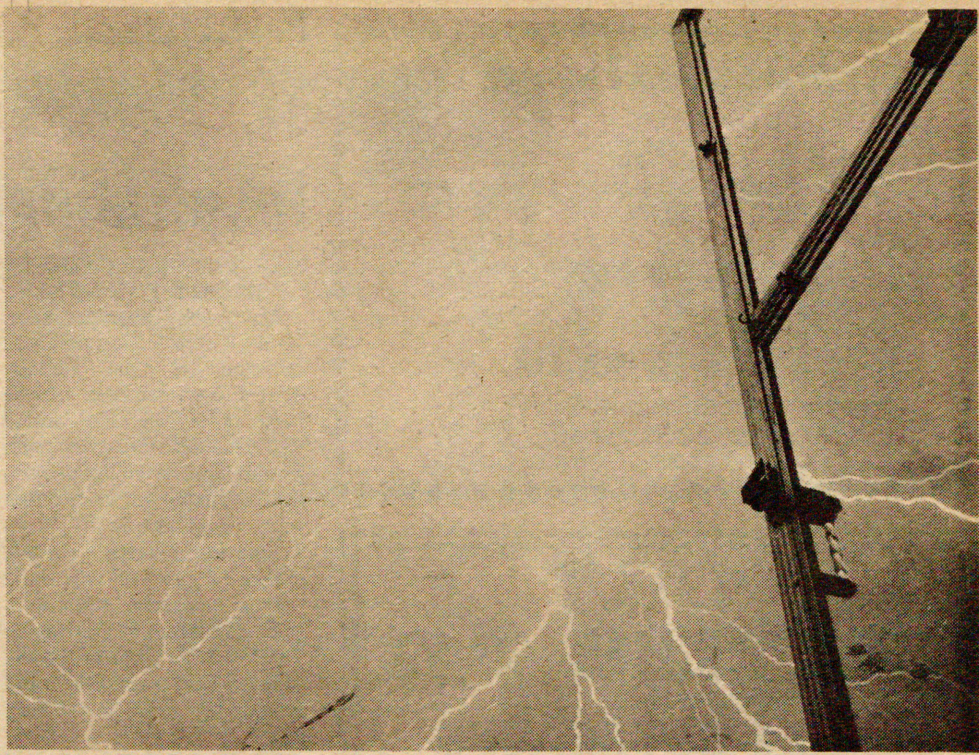

The board plans sound construction at the lowest possible cost, declared Supt. James Ennis. The new building would be completely functional, fire resistant, and without frills, board members stated. The estimated cost is given at \$12.-50 per square foot which is about the same cost as the Willowcrest school.

A second issue will be decided concerning an increase in the Educational Fund rate. A 21 cent increase is being asked. The present maximum rate is 86 cents per \$100 of assessed valuation and the 21 cent raise would increase the maximum to \$1.07. The board anticipates needing 11 cents the first year but adds that as the enrollment increases it will

be necessary to levy more each year, thus the 21 cent increase is deemed necessary. The last increase was in 1959. The increase in the educational fund rate is necessary to continue to attract and hire qualified teachers as they are needed, to equip new classrooms as they are constructed, and to provide necessary teaching aids, it was explained.

According to figure released by the board the increase in the bond tax rate would be about 12 cents per \$100 of assessed valuation, and the 11 cent increase the first year in education fund tax rate combined with the bond tax increase would cost the average taxpayer approximately \$15.

Any registered voter residing within Will County School District 159, is eligible to vote provided he or she has resided within the district 30 days, within the county 90 days, and within the state one year.

LIGHTNING STAGES spectacular show. In fact one should use the plural and make it shows because there have been a number of electrical storms in the area in the past few weeks. This particular display was captured by camera the night of Sept. 14. William Ellwells of Frankfort took this with a Polaroid from his front porch. That frame you see is a part of the front door. A number of television sets and telephones were reported knocked out in the area by lightning.

Frankfort Youth Reaches Scholarship Semi-Finals

Supt. A. Hunter Chapman announced today that one senior at Lincoln-Way high school has been named semifinalist in the 1965-66 Merit Scholarship competition.

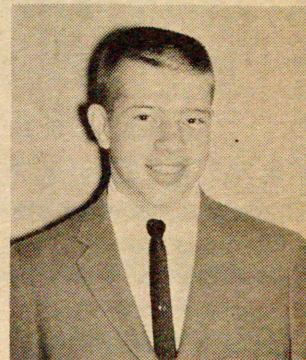

The student cited for his high achievement is James G. Rheinwald, of Frankfort. He is among the highest scoring students in the state

of Illinois on the National Merit Scholarship qualifying test, administered last March in over 17,600 schools nationwide. More than 14,000 semifinalists were appointed across the country.

To become finalists, the students must substantiate their qualifying test performance on a second examination, submit recommendations by their schools, and fulfill routine requirements. All Merit Scholars for 1966 will then be selected from the finalist group. "Much of our future leadership will come from these young people," said John M. Stalnaker, president of the National Merit Scholarship Corporation. "Semifinalists are representative of our country's most intellectually able young people."

"In honoring them, we should remember that others have contributed significantly to their success by encouraging the characteristics which produce high achievement, including energy and hard work. The semifinalists bring honor not only to themselves, but also to their families, their teachers, and their communities."

To increase their opportunities for financial assistance if they need it, NMSC sends the names of semifinalists to all regionally accredited colleges and universities and to other scholarship-granting agencies and sources of financial aid. Studies show that about half of the semifinalists in former years have obtained financial aid from sources

other than the Merit Program.

At least 97 percent of past semifinalists have become finalists. Each finalist received a Certificate of Merit.

A BLUE RIBBON was awarded to Mrs. Mary Zemeske, of Mokena, a member of the local garden club for this niche entry, "Midsummer Night's Dream," in the club's annual flower show at the VFW hall on Wolf rd.

TRAGEDY AND COMEDY was the title on this niche at the Mokena Garden club flower show. The somber note was struck by the flowers, deep red blossoms, with an almost blackgreen foliage. The entry was made by the Green Thumb Garden club of Joliet. It received a red ribbon.

So. New Lenox Pair Arrested

David M. Johnson, 16, New Lenox, was arrested by Joliet police for driving a car without an operator's license. The owner of the car, Fred R. Mau, 22, also of New Lenox, was arrested for allowing an unlicensed person to drive his car, and also for having his car out on the street when it is unregistered.

Mau had license plates on the car but they belonged to Joyce Hancasky, 19, of 409 Garnsey ave., Joliet. She was given a ticket too on a charge of improper use of registration.

Mau's plates are impounded by the secretary of state's office. Mau was released on a \$25 bond. Johnson was unable to make bond so the night he was arrested he was locked up.

THE TOMAHAWK restaurant, operated by Mrs. Mary Holman, (inset) of Frankfort, is having its grand opening, beginning today, Sept. 23, and continuing thru Sunday. The Tomahawk is located at 19836 Wolf rd., and is so named because the name Mokena is of Indian derivation, according to historians. Round the corner is another business that is having its grand opening Thursday, Friday and Saturday. This establishment is the Curling Iron, a beauty salon, operated by Betty Greer and Barbara Reed. New hours have been put into effect at both establishments. The building in which they were located is now owned by Harold Smith, of Frankfort, who purchased it from Ervin (Dick) Friant.

Be Careful, Folks! Of Furnace Repair Racket

A warning has been issued by the Oil Heat Council of Greater Chicago that this is the favorite season for "furnace repair racketeers."

The homeowner is advised to beware of any unsolicited visit, except from his regular fuel dealer. Particular caution is urged when the visitor offers to make a "safety inspection." In the course of these so-called inspections, the furnace crook will frequently report that a lot of costly repairs are needed, or perhaps that the whole heating plant needs replacing. In many known cases, vital parts have been purposely damaged by the "inspector" to insure a fat

home in honor of Mrs. Coppotelli, who is here on a visit.

The Brownie Girl Scout troop will meet each Thursday afternoon after school in the school. Leaders are Mrs. Harry Wheatcroft and Mrs. William C. Bettenhausen.

A rummage sale, sponsored by the Always Faithful class, will be held at the Green Garden Methodist church on Sept. 30 from 6 to 9 p.m. and on Friday, Oct. 1 from 9 a.m. to 2 p.m.

CHURCHES
Green Garden Methodist - Rev. Thomas Hardwick, pas-

repair contract.

Oil Heat Council of Greater Chicago suggests that homeowners check with their regular fuel dealer before signing any questionable repair contract. The regular dealer is in a good position to know the true condition of the heating equipment. In most cases, should adjustment or repairs be needed, he can save the owner a substantial amount of money.

Should suspicious "inspectors" or "repair experts" appear at your door, it's a good idea to seek information from the Oil Heat Council of Greater Chicago or from the Better Business Bureau.

Knights, Eagles Win Football Openers

BY TOM SCARTH

The Knights of Lincoln-Way chalked up a 20 to 7 victory over the Lemont Indians in the first game of the 1965 football season on their home field last Saturday.

Last year the Indians scalped the Knights in the season's opener but this year the Redskins were the one to lose their hair.

Lemont was the one to draw first blood. Early in the initial quarter the Indian's Larry Malik picked up a fumble of Jim Markl and scampered 20 yards for a touchdown. Ronald Bozych kicked the extra point for Lemont.

This caused the Lincoln-Way defensive team, known as the Black Knights, to register a vow that that would be all of that and the vow was kept.

The score remained 7 to 0, however, in the visitors' favor until the second quarter. Keith Schram, whose aim Saturday should have qualified him for a sharpshooter's medal, cut loose with a 20-yard pass to Mike

Bernard, and the Lincoln-Way end dodged and swerved his way for 50 yards and a touchdown. Markl kicked for the extra point and the score was 7-7 when the half ended.

The third quarter saw both teams put up a defense that refused to yield and the period ended without further scoring.

But the fourth and final quarter was different. It began with Schram passing to Frank Fleck for 15 yards. Then came a short screen pass to Tom Hartnell. Hartnell made two would-be tacklers miss and plunged on, only to be tripped up four yards short of the goal line. On the next play Schram faded back and flipped a touchdown pass to Fleck. The kick for the extra point failed.

On the kick-off the Knights sent the ball deep into Lemont territory and the Indians found ground plays too tough. Two plays later Ray Hommes intercepted a Lemont pass and dashed 25 yards for six points. Markl came thru with his second good boot for the extra point and Lincoln-Way was

firmly on top with a 20 to 7 count.

Earlier Markl had crossed the goal line after a 45-yard dash but in vain. The touchdown was nullified by an offside on the part of Lincoln-Way.

Lincoln-Way had difficulty in gaining by rushing plays but 13 of Schram's 21 passes were completed for a total of 187 yards. Schram was smothered behind the line of scrimmage on several occasions but each time he hung on to the ball. Two of his passes were intercepted but those were happenstances. When he sees his receivers bottled and there is a possibility the pass will go astray Schram keeps it.

In the frosh-soph game Lincoln-Way massacred the Indians, 48 to 0. Pat and Mike McCabe, Rick Kohlbacker, and Randy Davis and Ron Thomas gave stellar performances.

The Knights open the Southwest Suburban conference schedule this Saturday as hosts to Oak Lawn. The frosh-soph game starts at 12 noon.

Lineman Intercepts Pass And Goes 35 Yards For Sandburg Touchdown

Carl Sandburg high school's varsity football team started out the season as so many Eagle teams have done, with a victory.

Sandburg was host to Morgan Park last Saturday and proceeded to send them home on the short end of a 14-7 score.

Both teams scored in the opening quarter and the score was tied at the close of the period. That was also the end of the scoring for Morgan Park. Sandburg, however, made a touchdown in the second quarter.

There were some close touches in the remainder of the game but no one hit Paydirt.

Catholic in a hard fought game, 13 to 6. Homewood's West went over from the four-yard line for one counter and Thompson took it a yard for paydirt. Weinburg added a point after one of the touchdowns for the Vikings with a pass from Monahan. Tole scored for Marian after snaring a Viking pass and dashing 20 yards.

Evergreen Park beat Bogan, 33 to 6, with Muersch, Cunningham, Crawford, Massollo and Schollo dividing up the scoring chores.

Bogan made its lone tally after Pierce intercepted an Evergreen pass and loped 20 yards for a TD. Cunningham added three points by kicking after Evergreen scored.

Rich Central had a field day at the expense of Richards, winning 47 to 0. Quantstrom scored three touchdowns, Barz two, and Logan and Freidin, one each. Dick Blanchard was successful in kicking five points after touchdowns.

100 Lb. Burros Upset Midlothian, 20 to 0

Wayne Christopherson, a senior and a guard, scored one of the Eagles touchdowns with a gallop of 35 yards after a pass interception. The other score was by Tom Hoffert on a 24-yard pass thrown by Fred Engleman. Sandburg's Dick Henderson kicked both points after the touchdowns.

Cornich scored Morgan Park's touchdown on a 40-yard run. Grasso added the point to make it seven.

Sandburg plays its first conference game with Rich East Sept. 25, at Rich.

On other games involving Southwest Suburban conference teams, Rich East blanked Morton East, 19-0. Hoffman scored two touchdowns, one on an 85-yard run, and Deem the other.

The Bremen Braves routed Tinley Park, 20 to 8. Raddatz, of Tinley, ran 70 yards to score and the teams other two points came when Pavesich brought Strand down behind the goal line for a safety.

This same Strand scored all three of Bremen's touchdowns. Moore booted two points in kicks after touchdowns.

The Vikings of Homewood-Flossmoor beat out Marian

Mokena's midget football team, the Burros, upset a big strong Midlothian Wildcat team last Sunday at the Mokena park, 20 to 0. In the 100-lb. class, the Burros looked like a hard-nosed football machine in dominating the entire game. A vastly improved five-man defensive line held Midlothian scoreless. Middle guards Duane Pierson, Gary Sondergaard, Brian Knierim and Darrell May were outstanding in line play. Before today's game Midlothian was expected to go undefeated in league play.

several Midlothian boys were unable to come out for the second half.

In the heavyweight game, the Midlothian Wildcats romped to a 27-0 win with John Schaffner scoring on long runs of 30, 27 and 34 yards. Tom Kerr scored the other Wildcat TD.

In other southwest midget football league play, Tinley Park beat New Lenox 26-0 and the Tinley lights, beat Crestwood 34-0.

Next week Mokena goes to New Lenox to the Lions Den to play New Lenox and Crestwood. The Midgets will play an intra-squad game at 12:30 to open to program.

Fred Werners To Celebrate 35th Anniversary

Mr. and Mrs. Fred Werners, 19516 Midland ave., Mokena, will celebrate their 35th wedding anniversary at an open house to be held at the Mokena Methodist church educational room on Sunday, Oct. 3 from 2 to 5 p.m. All relatives and friends are invited to attend.

OHIO PASTOR, the Rev. Robert W. Taylor, will conduct the revival to be held at the Orland Park Church of the Nazarene Sept. 28 thru Oct. 3 at 7:30 o'clock each evening. The church is at 9651 W. 143rd st. The Rev. Mr. Taylor, a forceful speaker, is in demand for revivals and youth meetings of various kinds.

St. Jude Church, School Hit Again In Day Burglary

For the second time in the past six months a daytime burglar entered the St. Jude convent and the rectory at New Lenox and made off with money belonging to the school. This time it was \$100, representing milk fund money, that was taken from the convent.

At the rectory, \$30 of church funds was taken from a desk in the office. In both instances forcible entry was made, according to the report of New Lenox police. A copy of the report was sent to the state crime laboratory.

Parents Responsible Too For Children's Safety, Says Frankfort Chief

With school in session again, Frankfort police chief, T. A. Massey, urges motorists to be alert as to their responsibility in guarding against accidents involving children. He also reminds parents that they too have a responsibility in instructing their youngsters in the need of safe walking or riding - if the children make use of bicycles - to and from school.

The chief points out that it would be a good idea for a parent to walk to school with a child occasionally and instruct them to cross the streets at the crossings where patrol boys are stationed.

These patrol boys are to be commended for their efforts, Massey said.

"They give freely of their time," the police chief said, "when other children are playing on the school grounds, and are out in all kinds of weather. The thanks they get are usually confined to just the satisfaction of a job well done."

The chief had a special message for cyclists. "Bicycle riders are to obey all the traffic rules prescribed for automobiles. That is the state law. They are to ride on the right hand side of the roadway, halt at all stop signs, and obey traffic lights, stop when emerging from a driveway or alley, signal when turning or stopping, and have lights on their bicycles if using them at night.

"These are our automo-

Plans Smoke Tests For Frankfort Sewer System

Smoke tests are to be made of the Frankfort sewer system soon, it was announced at the meeting of the village board Monday night. Exact time could not be given because of the weather factor, according to Village Clerk Walter Pfaff who completed arrangements for the tests with Hulett Construction Co. They are waiting for a bit of dry weather.

Therefore, this mention will be the only notice given. Householders are hereby warned that if they see smoke shooting skyward thru the downspouts on their buildings they will know they are in violation of the law which prohibits connecting downspouts to sanitary sewers. If the smoke comes billowing into their homes they will know their floor drains lack traps and that the condition should be remedied. Sewer gas, it was pointed out, can be dangerous as well as offensive.

Frank Heisner appeared before the board Monday night to complain about water backing into his basement. Others have voiced similar complaints recently as a result of the numerous rains. Too much roof water is getting into the sewer, Heisner charges, and urged an inspection be made to determine how many householders allow the overflow from their cisterns to escape into basement floor drains instead of releasing the overflow outside the house. With the recent heavy rains all cisterns are overflowing, Heisner said.

There is always some surface water that gets into sanitary sewers thru manholes or leaks in the sewer mains but this is nothing compared to the volume that comes from roof water, it was pointed out.

Homemakers Membership Drive Will Close Oct. 1

The Will County Homemakers Extension Association membership drive is progressing with much enthusiasm and interest. At the "kick-off" meeting held recently, Mrs. H. A. Lindholm, Dist. II director, was guest speaker. She compared Homemakers Extension to a "Smorgasbord" in that the Homemaker has her choice of lessons, crafts, tours, and special interest meetings.

Seasons Plans Discussed At Mokena Woman' Club

Telephone: 479-3521
Plans for the coming year were discussed when members of the Mokena Woman's Club met for its first meeting in the home of Mrs.

Robert Mackey, Arby Hills.

It was voted that the club will assist in addressing and stuffing envelopes for the Will County Tuberculous Christmas seal drive. They will also serve at registration for the T. B. Mobile X-Ray Unit in Chicago on October 1.

A financial contribution was given toward the restoration of the original Jane Adams Hull House to be located on the new Chicago university campus.

Dates for various meetings to be held during the month of September include a study group meeting for improving library services for Frankfort and Mokena. The meeting will be held Wednesday, Sept. 22 at Frankfort with Mrs. Vivian Shoop, representing this club. The 11th District meeting has been scheduled for Sept. 23 at Elgin with Mrs. Louis Richards, president; Mrs. Robert Best, Mrs. Louise McGann, Mrs. Franklin Weber and Mrs. Welsch attending.

The monthly visit to the Tinley Park State Hospital has been set for Tuesday, Sept. 28. Magazines, games, cards and stationary will be accepted from members to give to the patients.

Mrs. Milton Geuther of Mokena presented a very interesting program on the Hopi Indian. Her talk was illustrated with the use of Indian dolls made for her by the Hopi tribe near Phoenix, Arizona. This past summer she and her husband had the pleasure of visiting several of the Indians and related her personal experiences.

Mr. and Mrs. William Weber, Schoolhouse rd., are the parents of a boy, Martin Andrew, born Sept. 14 at St. James hospital.

John Chisholm of 187th st., has been pledged to the Delta Tau Delta Fraternity at the University of Iowa.

A card party, sponsored by the William Martin Auxiliary #725, will be held at the VFW hall on Wolf rd. Saturday, Sept. 25 at 8 p.m. Hostesses will be Mrs. Russell Stankus, chairman, assisted by Mrs. Glenn Peterson and Mrs. J. DeBoer. The public is cordially invited to attend.

The Willow Run Ladies' Golf Club will close their season with a luncheon on October 5 at 1 p.m. at the club. All members are invited to attend. Reservations must be made by Friday, October 1 with Bea Olson, chairman, 479-5268.
